The screenshot shows the Microsoft Office 365 Education registration page. At the top, there is a Microsoft logo and a search bar. Below the logo, there are navigation links: Office, 家用 (Home), 方案與價格 (Plans and Pricing), 家庭用 (Home Use), 個人用 (Personal Use), and 適用於學生 (For Students). A black button labeled "購買 OFFICE 365 >" is on the right. The main content area features a large heading "免費取得 Office 365" (Get Office 365 for free). Below this, it states: "這不是試用版！學生及教師可以使用 Office 365 教育版，其中含有 Word、Excel、PowerPoint、OneNote 和 Microsoft Teams 以及其他課程工具。" (This is not a trial version! Students and teachers can use Office 365 Education, which includes Word, Excel, PowerPoint, OneNote, and Microsoft Teams, as well as other course tools). It then says: "只要在下方輸入有效的 學校電子郵件地址 即可開始使用。" (Just enter a valid school email address below to get started). There is a text input field labeled "請輸入您的學校電子郵件地址" (Please enter your school email address) and a green button labeled "開始使用" (Get started). At the bottom, it says: "學校高層人員及 IT 專業人員，請為您的學校註冊" (School administrators and IT professionals, please register for your school).
